Brooklands Suite

At Whittlebury Hall we understand that to create your view of perfection takes the flexibility to turn daydreams into dream days. That's why we'll work with you at every stage to create a day that truly belongs to the bride and groom.

We are delighted to host your special day and can offer wedding receptions up to 350 guests*. Unfortunately, we do not have a civil license to be able to operate your ceremony but our wedding package includes all you need to make your wedding reception dreams a reality.

Mandap ceremony

We have four recommended suppliers of Mandaps all who know Whittlebury Weddings well and can advise you what fits and looks best in our venues.

With a Mandap ceremony, Whittlebury Weddings is only responsible for supplying the chairs required and setting these out in accordance with the plan given by the decorator above.

The Atrium ceiling height for Mandaps is 2.90m.

It should also be noted that if you are having a mandap ceremony in the same room as the meal – the set up for the ceremony will greatly reduce the number of tables that can be accommodated.

Registry Weddings

Whittlebury Park is licensed to conduct Registry weddings in the Atrium. The Atrium will seat 400.

If you choose to have a civil ceremony with us, you will need to contact the registrar's office to discuss availability of dates & fees

Northamptonshire Registration Office

Tel: 0300 126 1000 registrationservice@northamptonshire.gov.uk

You will appreciate that if they are not available then we are unable to do a registry wedding without a Registrar being here to officiate and because we fall into the Northamptonshire registration area – the Registrar has to come from this office.

Included in our Ceremony costs are:

- Two rooms for the Bridal party to use on the day for changing
- The hall will be set out with a central red-carpet aisle and the number of chairs required which are gold banqueting chairs with blue seat pads.
