

WHITTLEBURY PARK

Temporary Closure of Whittlebury Park - Update

Whittlebury Park continues to temporarily suspend our operations in an effort to help contain the spread of COVID-19. We are closed until the **8th May 2020** and will continue to review daily.

All non-essential travel has been halted by the Government and it is not our wish for you to cancel your booking because of this, just postpone. All existing bookings from now until 8th May will be credited onto an e-gift card which will be emailed directly to you, so no need to contact us.

We continue to review the situation in line with Government advice and will update our website and social media channels accordingly.

We understand that this causes huge disappointment so on behalf of Whittlebury Park, we thank you for your patience and understanding, and we look forward to seeing you very soon.
