GOLF AT WHITTLEBURY

Whittlebury Park Golf Course is situated in the beautiful rolling countryside, with hundreds of ancient oak trees and a dozen lakes which was once part of the royal hunting ground of Whittlewood.

Featuring one of the UK's finest championship golf courses complimented by the magnificent Atrium Clubhouse - twice winner of 'UK Clubhouse of the Year' and the largest in Europe, our venue is the ideal location to enjoy a golf break.

Our complex offers 36 holes, with 27 holes of championship golf made up of three 9 hole courses and a fantastically maintained 9 hole academy course in addition.

Each course has its own unique character and STRI & USGA accredited greens, playable in any combination, meaning you do not have to play the same round of golf twice.
