## A WELCOME LETTER FROM WHITTLEBURY PARK'S MANAGING DIRECTOR

Thank you for choosing to stay with us during the British Grand Prix, if this is a return visit we are delighted to welcome you back, if you're new to Whittlebury, welcome!

The Sargeant family and the team at Whittlebury Park are looking forward to another busy F1 weekend, as we welcome thousands of fans back to the estate for another thrilling British Grand Prix.

The British Grand Prix remains one of the highlights of the global motorsport calendar. British drivers are once again making headlines throughout the Formula 1 season, with Lewis Hamilton, George Russell and Lando Norris all competing at the sharp end of the championship and delivering some memorable performances along the way, not forgetting Oliver Bearman and Arvid Lindblad who are also in the points! Combined with the excitement of iconic local teams such as Aston Martin, Mercedes, Red Bull Racing, Haas and the newly formed Cadillac team, we are all looking forward to another spectacular weekend of racing at Silverstone.

As ever, we hope you enjoy all the facilities and entertainment at Whittlebury Park. We have the Big Screen back at the Pavilion showing all the latest from F1, The World Cup and Wimbledon, also don't forget to take in the live music and entertainment at the Beer Hall which is open Thursday – Sunday this year.

There are also a vast range of dining options available this year across the whole site so make sure you have a look at the "What's on where" and visit them all. There are too many to mention but you have the choice of eating in our Atrium Bistro, The Pavilion Food Court has take-away options available both inside and out by the Big Screen. There is also Street Food at the Beer Hall, Forge Café at the Paddocks, and numerous other vendors scattered across the site. You can also enjoy a drink at one of our many bars, remembering that happy hour will be from 5.30pm to 7.00pm where we will be giving £1 off per pint, meaning that some bars will be just £4.50 per pint. You can also enjoy a quick cocktail at "Wets on Wheels" by the Beer Hall.

For full details and opening times see our "What's on Where".

We hope you enjoy your stay and we'll do everything we can to ensure you have a great time. Don't forget to book again for 2027, we will be releasing plots on Saturday 4th July and Monday 6th July, because once you've packed up and headed home, we begin working to make sure your 2027 visit to Silverstone will be another unforgettable experience.

These are our premium plots with good access to our permanent facilities Atrium clubhouse, Pavilion bar & marquee and the main Hotel & Spa (Hotel & Spa are subject to booking separately and is security controlled during the F1 weekend). These campsites are located near to the Becketts gate entrance which then once inside the circuit offers easy access to area like Hanger Straight, Stowe Corner, Copse Corner and the Copse Tunnel.

### ATRIUM

Situated in the heart of the complex this campsite uses our golf driving range, and offers lovely flat pitches close to the permanent facilities of the Atrium Clubhouse and Pavilion bar. The walk to the Beckett's gate is 5 mins from here which makes access to the circuit easy on race day. Our live stage area with beer tent is only a 5 minute walk.

### WEDGEWOOD & WEDGEWOOD ELECTRIC

Situated adjacent to the Atrium & Pavilion sites these campsites utilise some of the golf course itself. There is nothing better than relaxing with a cold drink in the evening overlooking the 36 hole championship course. A 3 minute walk to the circuit (Becketts gate) makes this an attractive option for any early birds wanting to secure a prime seat! Our live stage area with beer tent is only a 5 minute walk.

### BECKETTS

This is the closest campsite to Silverstone circuit, only 300m away from the tarmac on the track (as the crow flies). Situated on the edge of our golf course on the boundary to Silverstone circuit this is the perfect location for people who want quick access to the track (Becketts gate). With only a 1 minute walk to the circuit you can be there for when the gates open in a morning and know that you only have a very short walk home after a full day watching the racing. ### Don't just take our word for it

Some of our campers return year after year and have such amazing things to say about staying here at Whittlebury Park.

"Whittlebury is more than just a campsite, the staff are amazing, they always make you feel welcome on arrival and nothing is too much trouble for them. The site is always immaculate, the facilities are kept clean, the entertainment spot on. Bars, restaurant, food outlets, you want for nothing when staying here. The amount of returning campers each year speaks volumes on what a great place it is to stay. I scratch my head sometimes wondering why people would want to camp anywhere else. When so many people are looking forward to returning months in advance you must be doing something right. We have been staying here for many many years and hopefully for many more to come.

Thank you to everyone at Whittlebury"

**Steve Hall**

"We've been staying at Whittlebury for the F1 since 2014 and wouldn't book anywhere else. The quality of the facilities are only beaten by the amazing team.

Please don't hesitate to contact us if you need anything at all!"

**Adrian Holdstock**

"We have only missed a few years since 2001 and find the Whittlebury Park fabulous! The facilities are 1st class and always clean and tidy. The staff always go the extra mile to make our F1 camping experience the best it can be!"

**Chrissie Gray**
